Notes:

- The NCPN Drug Take Back signs were located by Chelsea and distributed by Matt throughout the community. Flyers for Drug Take Back Day were distributed throughout the community, as well as over Facebook and through the Litchfield County Opiate Task Force.
- The coalition will plan a meeting to review the coalition's bylaws, which are to be reviewed annually, per the DFC grant's Work Plan.
- The NCPN [member survey](#) is live; members are urged to complete this survey to better understand the needs of our members, our existing capacity, and any gaps in our membership, skills or community representation.
